

For the Love of God

DOES RELIGION CAUSE WARS?

How much is Christianity to Blame?

Pineapple should never be found on Pizza

You can't call chess a sport

The moon landing never really happened

**Marvel movies are an
insult to our intelligence.**

**Religion should never be
used to justify war**

Christianity is a peaceful belief system

Jesus was a pacifist

Religion is the cause of most of the wars in history

“Those who make you
believe absurdities, can make you
commit atrocities.”

Voltaire (1694-1778) – French Philosopher

Spanish Inquisition

French Revolution

Stalin's Soviet Union

“

The human capacity for
brutality is vast.

²The Lord looks down from heaven on the entire human race;
he looks to see if anyone is truly wise, if anyone seeks God.
³ But no, all have turned away; all have become corrupt.
No one does good, not a single one!

Psalm 14 (NLT)

⁸ If we claim we have no sin, we are only fooling ourselves and not living in the truth. ⁹ But if we confess our sins to him, he is faithful and just to forgive us our sins and to cleanse us from all wickedness.

1 John 1 (NLT)

Religion has caused innumerable people not just to conduct themselves no better than others, but to award themselves permission to behave in ways that would make a brothel-keeper or an ethnic cleanser raise an eyebrow...

As I write these words, and as you read them, people of faith are in their different ways planning your and my destruction, and the destruction of all the hard-won human attainments that I have touched upon.

Religion poisons everything.”

If only it were so simple! If only there were evil people somewhere insidiously committing evil deeds, and it were necessary only to separate them from the rest of us and destroy them. But the line dividing good and evil cuts through the heart of every human being. And who is willing to destroy a piece of his own heart?
